<b>Official Documented Meeting Minutes:</b> District is rating things a little different now. Attendance and suspensions are now included in school ranking. We rank around bottom 3. We will probably have to do something address suspensions. Discussed that we need to think about things we can do to improve attendance. We should talk to Amy Redding about how we could get a counselor for another day.  Budget Planning: We are getting about the same amount as last year. Maybe we can allocate a little different to help fund an extra day for the counselor. Our Paraprofessional Hourly is paid to our library asst. to do English learning and testing.  RTI: Goes to our reading intervention helper, retired special ed teacher.  We need to work on classroom management to help improve suspensions.
